

REMARKS

In this Preliminary Amendment, claims 1-25 have been cancelled and new claims 26-49 have been added. Thus, after entry of the Amendment, claims 26-49 are pending.

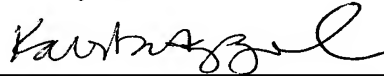

The change to paragraph 0051 corrects a misstatement that would otherwise be inconsistent with the meaning of paragraph 0051 and other portions of the specification (see paragraph 0020, 0027, 0032, 0044, etc.). Other paragraphs have been revised to correct typographical errors in referring to "AND gate 305" as "AND gate 304". (See Figure 3 showing an AND gate 305).

Applicants respectfully submit that the new claims do not add new matter. New claims 26-49 are supported by Figures 3 and 4 and corresponding text of the specification as filed, in particular paragraphs 0028, 0044, 0046 and 0057.

In light of the amendments, Applicants respectfully request that the Examiner reconsider this application with a view towards allowance. The Examiner is encouraged to call Gary S. Williams at (650) 843-4000 should any issues remain unresolved.
